

Roma Mitchell Secondary College

Roma Mitchell Secondary College opened as a new multi campus school in 2011 consisting of a co-educational campus, a girls' education campus and a special education campus all on one site. The school is located only 15 minutes from the Adelaide city centre, close to bus routes, the city parklands and a world-class cycling velodrome and hockey stadium. Roma Mitchell Secondary College, named after Dame Roma Mitchell, the first Australian woman to become a judge, Queen's Counsel, chancellor of an Australian university and governor of an Australian state, has quickly established a reputation for academic achievement and sporting success. This new school is purpose-built to engage students in 21st Century learning with flexible learning spaces and technology rich environments. Roma Mitchell Secondary College is an International Baccalaureate Candidate school implementing the Middle Years Program (IBMYP).
