Trinity Bay State High School aims to engage and enable students to achieve lifelong learning pathways. Dedicated teachers instill an enthusiasm for learning through innovative teaching practices. The school provides siangure excellence programs with an academic, music, cultural and sporting focus.

Principal's welcome

Trinity Bay State High school is an exciting, vibrant and engaging place for students and teachers with something new and interesting happening all the time.

As educators at the school we pride ourselves on offering an extensive academic curriculum so that all our students can encounter a wide range of opportunities to find engagement, interest, experience success and excel personally. In addition, the school has an outstanding, diverse range of extra curricula that keep students engaged, motivated and challenged.

Our school continues to pride itself on the many excellent opportunities it affords students whether local, regional and interstate, or from international destinations. Over the years the school has built a profile in Science, Performing Arts and Visual Arts, public speaking and debating, Business Studies and Sport. It is reassuring to know that the diversity of the school curriculum offers students that something extra which extends and challenges all students.

Welcome to our school!

Three reasons to choose Trinity Bay State High School

1. Commitment to all students and a record of academic success
2. Strong relationship with James Cook University and North Queensland Tropical TAFE
3. Beautiful tropical setting with a friendly, caring community.

Homestay

Homestay* enables EQI students to truly experience Australia's famous lifestyle.

By living with an Australian host family international students become part of the local community and have a fantastic opportunity to practise their English in a safe and caring home environment. International students often develop lasting friendships with their homestay families.

- Students have their own bedroom with study facilities, three meals a day, and access to transport to and from school, and to school activities
- Host families are carefully selected from within the school community and undergo a police check as required by Queensland law

Standard Homestay fees have been set and these are listed on the [EQI program fees page](#).

Holiday adventure programs

EQI Holiday Adventure Programs are an exciting and safe way for International Students to travel and sightsee during school holidays.

There's an EQI adventure to suit every taste - from visiting city landmarks and riding camels on an unforgettable Australian 'outback' adventure, to exploring ancient rainforests and swimming with turtles off Queensland's pristine white sand beaches.

All EQI Holiday Adventures are fully guided and escorted by qualified Queensland Government teachers and staff to ensure student safety. These programs are open to international students enrolled in an EQI high school, and additional fees apply. To find out more visit the [holiday programs page](#)
