

Auburn High School

Auburn High school is a new 7-12 school located on the site of the former Hawthorn Secondary College. The school offers a strong academic programme for all students with a particular focus on science, technology, engineering and mathematics for year 10 -12. The outstanding facilities include well-equipped classrooms, a new science discovery centre, an English language centre, a VCE study centre, a lecture theatre, art and design centre and extensive playing fields.

Success story

My experience studying at Hawthorn Secondary College (now Auburn High School) was warm and unforgettable. I had so much help from teachers to do well. Some teachers were like parents to me. The school is so beautiful and I made many friends. I will remember this time always.

– Michelle Nguyen – Monash University Engineering Scholarship winner 2012

Awards

- Three Monash University Engineering scholarships, 2012
- Swinburne University of Technology, Vice Chancellor's Student Scholarship, 2010
- TOP VCE student in Persian, 2010

Reasons to choose our school

- Outstanding facilities refurbished and updated over the last 5 years in beautiful garden surroundings
- A small to medium sized school offering an academic programme, personalised learning and tailored support to international students
- A large variety of extra-curricular clubs and activities
