## School Overview

North Lake Senior Campus provides a quality education for young people wanting to complete Year 11 and Year 12 in a different, unique and exciting adult campus.

With an atmosphere more like a university or adult training institute than a traditional secondary school, North Lake Senior Campus offers opportunities for students to achieve university entry, gain an apprenticeship, trainee-ship or work.

Highly qualified and caring staff will work alongside you as you engage with WACE courses or VET programmes in a range of different areas. Our certificate courses include Business, Engineering, Digital Gaming, Science and Sport. We proudly offer students interested in Music the opportunity to complete a Cert.IV in Sound Technology, leading to direct University entry.

Fast Track, located in central Fremantle, caters for students not quite ready for Year 11, while the Intensive English Centre assists newly arrived migrants and refugees in learning English prior to entering Mainstream schooling on our campus.

With an 'adult ethos' that includes no bells or school uniform, and flexible hours including the option of part-time courses, North Lake Senior Campus specializes in offering a 'second chance' to students whose senior secondary study has been interrupted for any reason including illness and difficult family circumstances. Our caring staff will provide support and encourage you to pursue your dreams, following highly-skilled career counselling to ensure your enrolment sets you up to successfully achieve to your potential. Mature age students are welcome and North Lake Senior Campus students typically come to us from across the state.

Located in Kardinya, North Lake Senior Campus is easily accessible through major bus routes and provides plenty of parking for students and staff. Students of all ages from 16 and over enjoy the physical resources available to them on the campus. These include sophisticated digital access, a modern auditorium, cafeteria, restaurant, swimming pool, gymnasium, library, career resource centre, radio station and expansive grounds. Our capable and caring Student Services Team include a career counsellor, school psychologist, chaplain, nurse, year group coordinators and also qualified medical support.

Enrolments open in October or you can join the campus for second semester with enrollments in June and July. Arrange a tour of our campus by calling us on 9314 0444 or go to [www.northlake.wa.edu.au](http://www.northlake.wa.edu.au)

You will be warmly welcomed at North Lake Senior Campus. Your journey to success starts with us!

**Programs****Department Endorsed Programs**

- **Intensive English Centres - English as a Second Language**

Intensive English Centres (IECs) provide a specialist 12 month English language program to eligible students who are in the early stages of English language acquisition - primarily those who are newly arrived in Western Australia. IECs have continuous enrolments and exit students into mainstream schooling at the end of each term (primary) or the end of each semester (secondary). Eligible students who have a background of limited schooling can access support in an IEC for up to 24 months.
