

Belmont High School

Students are encouraged to achieve excellence at Belmont High School. The school is committed to global education and offers a diverse academic experience, supported by international exchange and extensive extracurricular programs. An on-site English Language Centre provides international students with intensive language support. Victoria's second largest city offers students a safe living and learning environment nearby Deakin University Geelong campus. The school's location offers easy access to city amenities, including Melbourne universities.

Success story

'Studying at Belmont High School was one of the greatest and unique experiences I have ever had in my life. The understanding teachers helped me quickly improve my English. During my time at the school I formed friendships with local students who helped me adjust to my new lifestyle and I met many students from diverse backgrounds and cultures.'
