School Overview

Our Vision: Our vision is to empower our students through their engagement in education and training so that they fulfil their own educational, career and social expectations and participate positively in Australian society.

Sevenoaks Senior College is a diverse educational community with students, teachers, parents, community members and industry partners working collaboratively within a team environment.

Our students range from 16 to 19 years and we provide a young adult learning environment with mutual respect between staff and students.

Sevenoaks is an Independent Public School and Registered Training Organisation. It has an extensive range of programs to suit all abilities and interests from top academic courses to vocational and engagement programs. It caters for over 500 Year 11 and 12 students. Located opposite the Cannington Train station and bus port, it is the local school for students from surrounding suburbs but we welcome students from across the metropolitan area.

Our educational facilities include:

- * Online delivery and support for courses
- * WACE exam courses in Science, Humanities, Career and Enterprise and Maths
- * Vocational and Enterprise courses are available to all students regardless of post school destination
- * School-industry links so students gain work place learning opportunities including school-based traineeships
- * The incorporation of TAFE Certificates I, II or III into many courses
- * A 4.5 million dollar Trade Training Centre (automotive and metals and engineering) on site
- * Experienced teachers of English as an Alternative Language and support for students for whom English is not their first language.

Programs

Department Endorsed Programs

- **Primary Extension and Challenge Program**

Primary Extension and Challenge (PEAC) is a part-time withdrawal program for upper primary school Years 5-6 students. Identified gifted and talented students are selected to participate in differentiated programs offered in a range of delivery modes.

Delivery modes include:

PEAC centres based within a district centre or office with a series of specialist courses or programs; coordinator/s who establish courses in a range of schools and/or other sites and teachers are released to teach these;

allocation to schools and multi-age programs operate within schools; online delivery of programs

Programs focus on:

Social interaction with gifted and talented peers;

Intellectual rigour and challenge;

Pursuit of excellence;

Development of higher order process skills;

In-depth investigations of real problems;

Open-ended activities which encourage choice and negotiation;

Opportunities to interact with practising experts;

Students working at their own pace;

Self/peer evaluation and reflection of performance.
