Adelaide Secondary School of English

Adelaide Secondary School of English prepares students from diverse cultural and language backgrounds for their transition to mainstream schools across the metropolitan area. English is taught through a range of subjects including Information and Communication Technology (ICT), Mathematics and Science. The school places a strong emphasis on student wellbeing and supports students to settle into Australian society. The school is co-located with the School of Languages just 5km west of the city of Adelaide and is accessed by dedicated school buses from the city.
